Two questions were added in relation to our Villages system. Angela will send on February 15th and responses will be due March 1st. The responses will be reviewed at our March Site Council meeting.
6. School Safety Plan	Discussion	Angela Garcia	Angela reviewed the Diamond Creek School Safety Plan. The main additions were in regards to our Villages system and Student Leadership group that is new this year. This has benefited overall school climate. The results from our outside safety assessment have not been shared yet, but our hope is to have those soon to review with our Crisis Team and make adjustments as needed. The low fencing near the upper grade playground continues to be a concern for our community and was also noted on the outside vulnerability assessment that was completed in October. All members in attendance signed off on the Safety Plan.
