5. School Site Plan	Discussion & Approval	Angela Garcia	Angela shared reflections from our four goals last year. Two of the four goals were met in entirety. Portions of two of the goals were met regarding ELA and Math proficiency based on CAASPP data. New goals were shared which included an ELA and Math goal related to CAASPP testing in 3rd through 5th grade. The Math and ELA goals were set for 3rd through 5th grade students to increase their overall proficiency 3% more than previous year testing compared to state data. A goal related to our ELD students and showing one level of growth on ELPAC testing as well as increased participation at ELAC meetings. A final goal was presented which included Village implementation and 7 Habits implementation at Diamond Creek to nurture a positive school culture. All goals were approved by Site Council.
6. Villages Update	Discussion	Angela Garcia	Angela shared that Diamond Creek had its first Village rally on October 3rd. Habit #1: I'm in Charge of Me and the Essential "Be Responsible for your Trash" are the two focus areas around Diamond Creek throughout October. We will have our next Village meeting on October 17th which will continue to teach and strength this habit and essential. Villages have been welcomed by all staff and staff have commented the noticable change in student behavior in a positive way.
7. WATCH D.O.G.S. Update	Discussion	Angela Garcia	W.A.T.C.H. Dogs program began again with our Pizza Night kick off on September 27th. We have several father figures signed up to be a W. DOG and are looking forward to increased father involvement at Diamond Creek.
